## **Testimonials**

I am so grateful to be a part of the St. Paul catechesis program! My children were all enrolled in the program, I decided to volunteer as a catechist. This fun and rewarding experience has also given me a sense of belonging to the St. Paul of the Cross Community. My volunteering has blessed me with many new friendships that will last a lifetime. ~ Celene Jaconetti

I've been blessed by all the kids I have taught over the years. I am certain they've taught me more than I have taught them! Teaching CCD class has helped me to know my Catholic faith better. One of the greatest compliments I ever received was when the mother of a student of mine said she wanted to come find out why her daughter was having so much fun in class. Thanks for the opportunity & blessings ~ Dan Pietroske

I began volunteering when my oldest children finished second grade and I have been a 2nd grade catechesis ever since. Out of all the volunteering I have done over the years for my three children and the community, being a catechist is the most rewarding. I have been so blessed to watch so many children make their First Reconciliation and First Communion. ~Liz Cataudella

Our faith is a gift we got from our parents & families and it is the greatest gift that you can give your kids. Say "yes"! The work is simple: introduce the Lord & how to communicate with him & consider yourself to be a student along with the children. Faith deepens & develops through prayer and service to others and when the children witness your service & presence, our Church grows stronger. ~ Alexis Migon

I volunteer for my grandkids Leah and Jace that hopefully my weekly presence will reinforce in them by my support of living a faith filled life. ~Carol Welton

You can teach alone, you can teach with a friend (you can both come to class or take turns), you can teach with your high-schooler or your children's grandparent! You can encourage family members to volunteer! If you teach the grade your child is in, you may choose to have your child in class with you or not, whatever works best!
