WHAT IF....

I'm not sure what program to register for

The family schedule might change

I'm not sure what our schedule will be in the Fall

I might move

Please know you may change options **SO DON'T WAIT! – Get the Registration In!**

We work with you in regard to changes or special circumstances. Our program is VERY large and our office is VERY small and registrations take time to process, that is why we ask that you get your registration in ASAP!

Please do not let cost be a prohibitive factor in the faith development of your child(ren). Contact our office to discuss alternative payment options.

Non-Parishioners

We ask everyone to be a parishioner, but at this time it is not required.

However, we do give priority placement to our parishioners!

There is no cost to become a parishioner and no requirement to remain one! You are kept up-to-date with parish information and your family participates as you like! See the link to a New Parishioner Form on the Registration page – after completing form, please drop off at the Rectory when completed (320 S. Washington)
